

EARLY BIRD ALERTS

See it first!

Rent your properties faster
with Early Bird Alerts

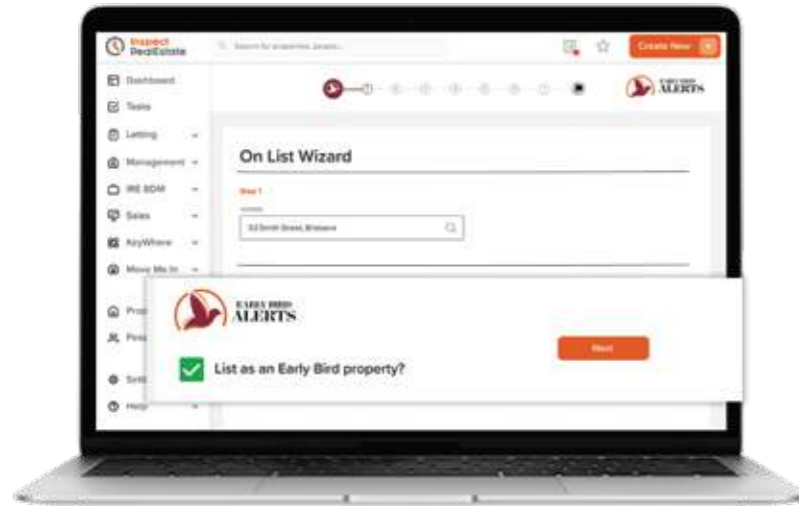

WHAT ARE EARLY BIRD ALERTS?

A great new feature that allows you to advertise your properties **first** on TenantApp

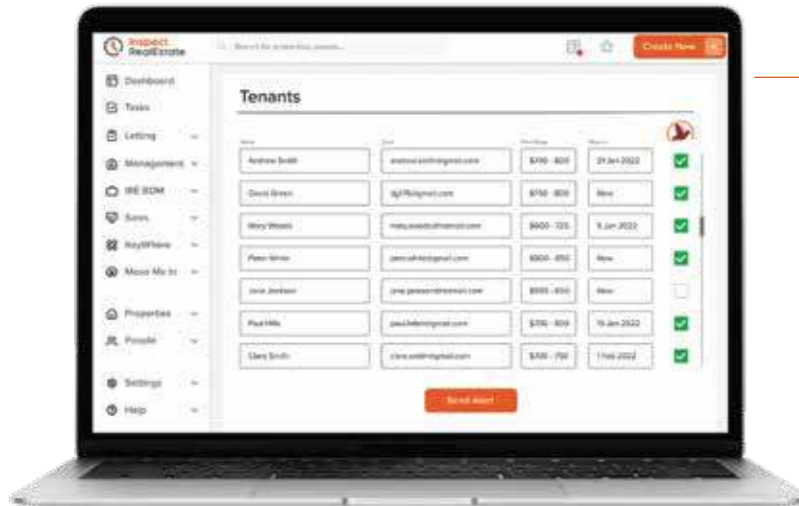

Using the power of InspectRealEstate, quickly promote your upcoming new listings **first** to:

- prospective tenants in your IRE database
- property seekers who have registered for Early Bird Alerts

Your agency journey

1 Within IRE, agent lists property as an Early Bird property

2 Agent sends out alerts to prospective tenants and Early Bird Alert registered property seekers

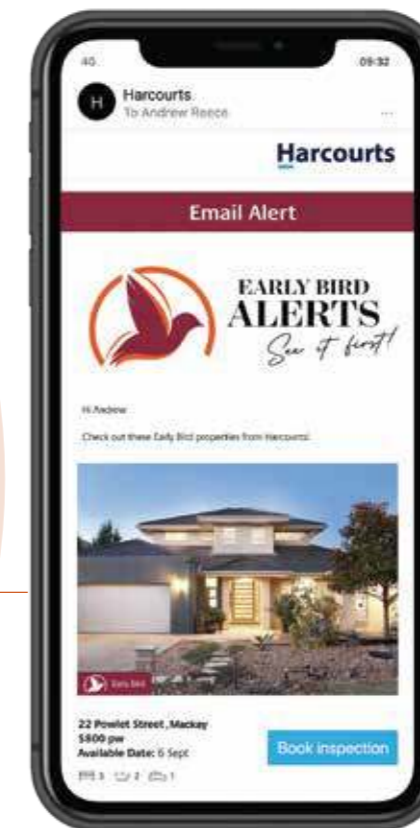

TenantApp.com.au

— See it first —

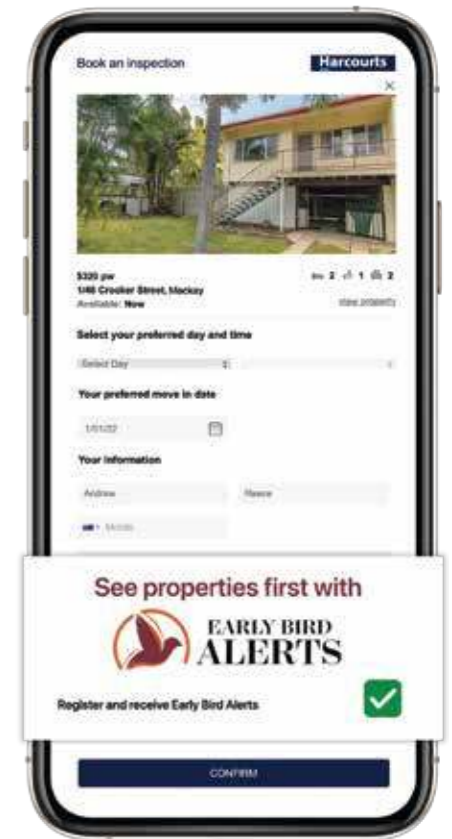

3 Properties are listed first on TenantApp

Property seekers' journey

2 Property seekers receive Early Bird Alerts emails

1 Property seekers register on booking screen

YOUR NEXT NEW TENANT IS ALREADY IN YOUR IRE DATABASE

Using the power of IRE and the new Early Bird Alerts,
promote your new-to-market listings
to rent your properties first and faster!
